- Mike & Audrey Conway were present at the meeting to discuss the issue about their dogs. The Conway's also discussed the neighbors directly across the road from them having feral cats. The neighbor's addressed this, they are having them spayed/neutered. After discussion, Mike Conway said they will look into possible options to keep their dogs in their yard.
- A question was asked about why Albany Township needs to pay for ambulance/fire charges and try to get reimbursed. It is in the contract with the subsequent departments.
